

NEWS RELEASE**Equinox Gold Announces Temporary Suspension of Mining Activities at Los Filos Mine**

September 4, 2020 – Vancouver, BC – Equinox Gold Corp. (TSX: EQX, NYSE American: EQX) (“Equinox Gold” or the “Company”) reports that mining activities at its Los Filos Mine in Mexico have been suspended since September 3, 2020 as the result of an illegal road blockade by members of the nearby Carrizalillo community. The individuals allege non-compliance with the community social collaboration agreement signed in 2019. The mine remains staffed with a reduced workforce to maintain appropriate safety, security and environmental systems. Equinox Gold is in active discussions with the Carrizalillo community leaders to resolve the issues.

Cautionary Notes and Forward-looking Statements

This news release contains certain forward-looking information and forward-looking statements within the meaning of applicable securities legislation. Forward-looking statements and forward-looking information in this news release relate to the duration, extent and other implications of the community blockade at Los Filos. Forward-looking statements or information generally identified by the use of the words “will”, “reach”, and similar expressions and phrases or statements that certain actions, events or results “may”, “could” or “should”, or the negative connotation of such terms, are intended to identify forward-looking statements and information. The Company has based these forward-looking statements and information on the Company’s current expectations and projections about future events, and the Company’s assumption that discussion and negotiation will result in a satisfactory resolution to the community issues at Los Filos. While the Company considers these assumptions to be reasonable based on information currently available, they may prove to be incorrect. Accordingly, readers are cautioned not to put undue reliance on the forward-looking statements or information contained in this news release. The Company has made assumptions and estimates based on or related to factors such as its previous working history with communities around the Los Filos Mine; the Company’s ability to obtain and retain all necessary permits, licenses and regulatory approvals in a timely manner or at all; legal restrictions relating to mining including those imposed in connection with COVID-19; and other factors identified in the Company’s MD&A dated February 28, 2020 for the year-ended December 31, 2019 and its Annual Information Form dated May 13, 2020, which are available on SEDAR at www.sedar.com and on EDGAR at www.sec.gov/edgar. Forward-looking statements and information are designed to help readers understand management’s views as of that time with respect to future events and speak only as of the date they are made. Except as required by applicable law, the Company assumes no obligation to publicly announce the results of any change to any forward-looking statement or information contained or incorporated by reference to reflect actual results, future events or developments, changes in assumptions or changes in other factors affecting the forward-looking statements and information. If the Company updates any one or more forward-looking statements, no inference should be drawn that the Company will make additional updates with respect to those or other forward-looking statements. All forward-looking statements and information contained in this news release are expressly qualified in their entirety by this cautionary statement.
